BROODING OVER JOB LOSS CAUSES STARK TRAGEDY

**Electrician Helper Kills
Foreman And Wounds
New Employee**

Becoming enraged after long brooding over loss of his position as electrician helper at the Baden Kennel Club track, near South San Francisco, Tony Gicconi shot and killed his former foreman and seriously wounded the man who had just been employed to fill the position from which he had been discharged.

The tragedy occurred Wednesday morning of this week and was enacted at the infield of the Baden Kennel Club greyhound track, near South San Francisco, where preparations were in progress for the opening of the course tomorrow, Saturday, evening.

The victims were Edmond P. Kaiser, 40, San Bruno, the track's chief electrician and also chief electrician at Tanforan, who was killed instantly by two bullets in the back. Seriously wounded was James Patterson, 43, Sharp Park, an electrician reporting for his first day on the job, who was shot twice in the stomach and once in the left arm.

The man sought as the killer was Tony Gicconi, 46, South San Francisco, who, according to Patterson, escaped on foot with a .25-caliber revolver in his possession.

Shortly after the shooting, doberman pinscher dogs, borrowed from Berkeley police by local authorities, picked up the killer's trail and led a posse across a field and through a thicket to the edge of Linden avenue. There the scent ended, and police came to the conclusion Gicconi had hitch-hiked a ride. All southbound

JEFF STUDENTS WIN AWARDS IN STATE CONTEST

**Make Good Records In
Accuracy And Speed In
Annual Tests**

The awards from the third annual state typing and stenography contests, which is sponsored by the Modesto Junior College, were given out Wednesday at an assembly held in the Jefferson Union High School Gymnasium.

Evelyn Ciemoli, a sophomore, won fourth place in this state-wide contest for accuracy and fifth place for speed in the same test. Her rate was 65 words a minute, with one error, with fifteen minutes of typing. She won two medals for her splendid work.

Rose Shiffman took eleventh place in accuracy in the unlimited division, with 44 words a minute and one error. Jean Terry won twentieth place, with 52 words a minute and two errors. Pins were awarded to both girls.

Certificates of proficiency were awarded the following students: Evelyn Ciemoli, Melba Nelson, Edith Shiffman, Jean Terry, Rose Shiffman and Lorraine Day.

The stenography awards were presented to Edith Taylor, who won a 60 word certificate with a 99.7 accuracy; Jean Terry, an 80 word certificate with a 99.6 accuracy; Melba Nelson, 99.2 accuracy; Ruby McGlumphy, 97.9, and Edith Shiffman, 97.9, all in the same section.

The above students are enrolled in the classes of Miss A. Dorothy Smith.

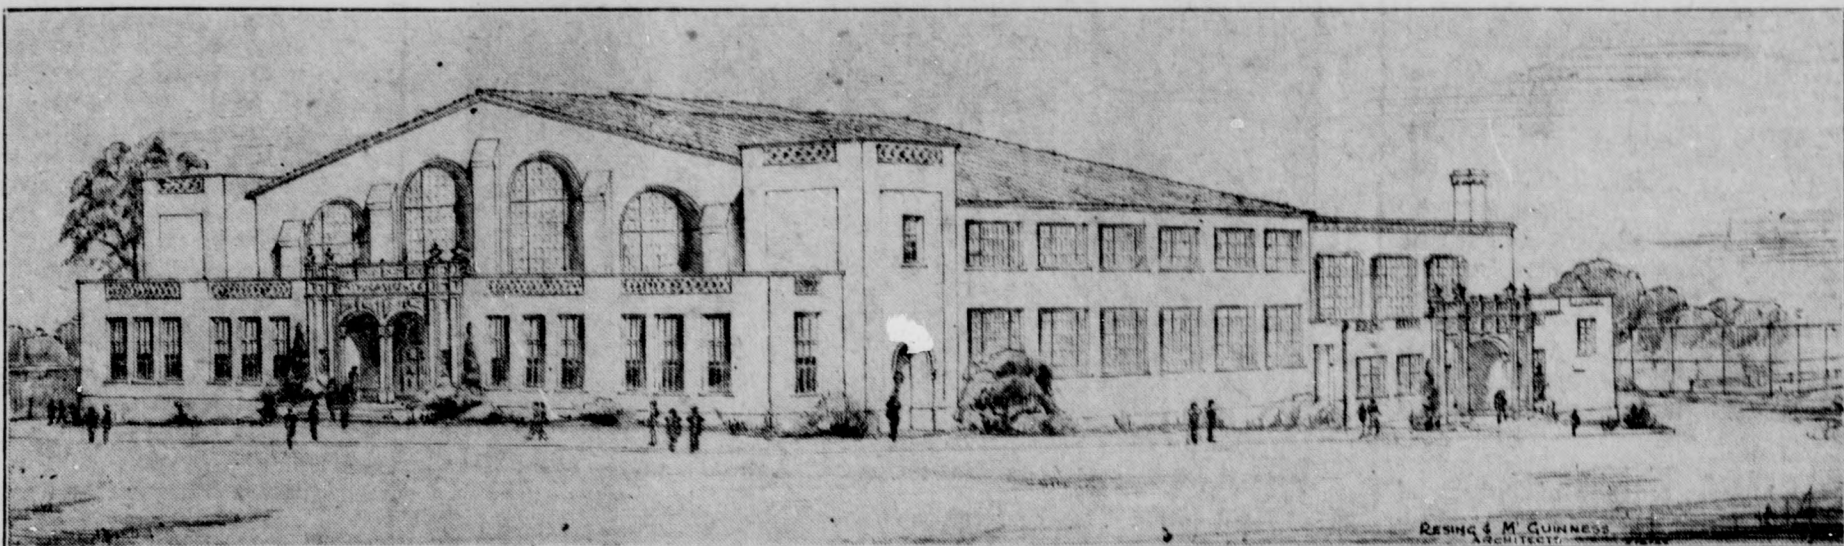

Accuracy awards in typing were presented to Eleanor Conserva and Ruby McGlumphy, advanced students in typing of Miss Marjorie Robinson.

Fred Peterson For County Executive

Colonel Fred Peterson of Burlingame came out, this week, with a formal announcement of his candidacy for county executive.

The striking point of Peterson's platform is the declaration of his belief that the county has sufficient talent to operate its government without going outside to import its officials, in which the majority of our citizens concur.

To Be Dedicated Next Sunday

Governor Frank Merriam is coming to Daly City to speak at ceremonies next Sunday afternoon at 4 o'clock. New \$200,000 gymnasium and swimming pool at Jefferson Union High School is best physical education plant in entire bay area.

REC LEADERS TO GIVE WHIST

**Receipts To Aid Uniform
Fund To Equip Local
Play Instructors**

A monster benefit whist party is to be held in the Daly City Auditorium on Friday, June 10, by the recreation leaders of the Daly City WPA recreation staff.

The object of the party is to raise funds for uniforms by which the Recreation leaders may be readily identified by the parents and children using our local play centers.

These local people, who are supporting their families on security wages paid by the federal government through the Recreation Project sponsored by the City of Daly City, are taking this means of making even more effective the splendid program now operating in our fair city.

Play will begin at 8:30 and will be conducted by the recreation staff. Tickets for the event are now on sale by the recreation leaders, who may be found on the playgrounds and parks daily from 2:30 p.m. to 5 p.m. until the close of the schools for vacation, after which the playgrounds will be operated daily during hours to be announced later.

RODEO THRILLS AT LIVERMORE NEXT WEEK END

Twenty-two thrilling events will provide two days of action at the Livermore Rodeo on Saturday and Sunday, June 11 and 12, as the twenty-first annual competition in the sports of the Old West is presented.

The program begins with the famous pioneer parade Saturday morning at 10 o'clock, followed by the cowboy parade at 12:30 and the grand entry at the Rodeo grounds at 1:30. Finals in the Rodeo events will begin Sunday at 1:30 p.m. Dancing, carnival attraction and numerous other special features are scheduled for both days.

Saturday will be children's day, all children of grammar school age being admitted free to the Rodeo if accompanied by an adult.

Merchants Adjourn To Next Wednesday

Owing to the inability of a number of officers to attend and the close proximity of the regular meeting day to the first of the month, the Daly City Merchants Association session was adjourned to Wednesday evening of next week, June 8, at 8:30 o'clock, at the Council Chamber of the Daly City Hall.

At the time matters of importance are to be considered and all members are urged to be present. Matters pertaining to the annual picnic on August 21 will be given consideration, as well as other affairs of the association which are in urgent need of attention.

The following members comprise the picnic committee: P. L. Peterson, A. Milo, A. H. Boynton, C. L. Williams, W. E. Pitschke, Grant Williams, P. Pavlo, A. Vireno, A. J. Bodien. All should be present at the meeting next Wednesday evening, June 8.

MANY OFFICIALS AND GUESTS AND HUNDREDS OF CITIZENS PLAN TO ATTEND HIGH GYM OPENING FOR TANFORAN

**Exhibition Games And Swims To Follow Afternoon
Speeches—Pool To Be Open Each Afternoon And Evening
Except Mondays During Summer Months**

Jefferson Union High School will dedicate its gymnasium and swimming pool next Sunday afternoon at four o'clock.

Governor Frank Merriam is making a special trip here in order to deliver the dedicatory address.

Invitations have gone to many leaders of civic life, as well as educational leaders of the bay area, and it is expected that many parents, as well as former students will be present to enjoy this unusual occasion.

The building, one of the most modern of its type in the state, costs over \$200,000. The swimming pool is beautifully tiled and has an attractive submerged lighting system.

The pool and gymnasium are being used for adult classes in the evening as well as for the students during the regular school periods. The pool will be open during the summer afternoons and evenings every day except Monday. Grammar school youngsters will use the pool on Saturday mornings for a very small fee.

Following the brief dedicatory ceremony and the governor's address, both the pool and the gymnasium will be open to the public to see badminton, volley ball and basketball games, as well as tumbling, and there will also be an exhibition of swimming.

NORTH DISTRICT MAN SEEKS SEAT ON JAYSEE BOARD

An important school election will take place today, Friday, June 3. In past years the north district has been represented on the San Mateo Junior College board by Mrs. Jensen of Lawndale and A. W. S. Grundy of San Bruno. Mr. Grundy of San Bruno is retiring from service on the board at this time. Jorgen C. Johansen of San Bruno, who at present is a member of that city's school board and also a member of the City Planning Commission there, is seeking election to the post relinquished by Mr. Grundy. Mr. Johansen appeals to the voters of the north district to retain equal representation on this important board.

Election for members of the Junior College board will be held today, Friday, June 3.

Billions Worth Of Gold Held In U.S.

Latest treasury statistics in the national capital showed gold assets totaled \$12,910,715,000 and silver holdings \$1,523,000,000. Continued political unrest in Europe and the Far East has caused a continued trickle of gold into this country during the past few months.

The gold holdings of the United States now close to \$13,000,000,000, represent over half of the world's visible supply of the precious metal.

LOOK OUT FOR OTHER FELLOW

Last week we called attention to the fact that almost twice as many people have been killed in traffic accidents during the past fifteen years as were killed during the fifteen years that covered the six major wars in which the United States was engaged. Any thinking person who has any sense of individual responsibility to his fellow men, of course, realizes that something must be done to stop this slaughter.

The problem of stopping it is squarely up to you as an individual driver and pedestrian. This is a good time to take stock of yourself.

As a pedestrian, use your common sense; resolve not to rabbit out in traffic, and to cross only at cross walks and with the signal.

As a driver, remember that your responsibility is a serious one. The lives of your passengers, other motorists, pedestrians and yourself depend on your caution and common sense. — San Mateo County Traffic Safety Commission.

Bookmaking Case Again Continued

The case of two Daly City men, arrested on May 7 and charged with bookmaking by local police, has again been continued, this time to Thursday, June 16, when they are scheduled to appear in the court of Judge Wade H. Clay for preliminary hearing.

The defendants were released on bail of \$250 and \$100. At the time of arraignment motion for reduction of bail was denied and preliminary hearing set for May 19. A continuance was requested and granted and the case again set for May 26 and again continued to June 6 on motion of defendants.

The last continuance, on motion of the office of the district attorney, was granted to Thursday, June 16.

Cousin Of Earhart Crashes In Plane

Near Indianapolis, Monday of this week, Cecelia Earhart, 34, of Toledo, a cousin of the late Amelia Earhart, narrowly escaped death in a plane crash.

She was taken to a hospital with a brain concussion and face cuts.

RACING PLEA IS DENIED TO FIESTA BY COMMISSION

**Board Believes Protests Sufficient To Sustain Action For
Refusal Of Dates**

At a special meeting of the California Horse Racing Board, held in San Francisco Friday of last week, that body denied the request of the San Mateo County Fiesta Commission for permission to conduct a six day racing meet at Bay Meadows this fall in conjunction with the county floral fiesta.

Representatives of the commission told board members they were "not asking for racing dates to promote a fair," but were planning the races as part of the festivities, together with a rodeo and other usual entertainment.

Carlton F. Burke of Los Angeles, racing board chairman, stated to the fiesta representatives, after the refusal, he hoped they would explain to their community the action was in accord with the board's general policy.

"We are only trying to do what is best for the community," he said. "We have had numerous objections from all over the state to any increase in the amount of racing, and many requests for a decrease. We have not felt there was any objection to harness and other racing events being held at fairs sponsored by horticultural interests, but they should be held as an adjunct to the fair, not as a primary feature."

Telegraph messengers bearing protests to granting of the racing dates were on hand before the board assembled. One came from Mrs. Harry S. Dana, saying she represented "many citizens," and reminded the board members of petitions presented.

GREYHOUNDS TO RACE AT BADEN TOMORROW NITE

**New And Unusual Features
Have Been Added To
Equipment This Season**

Hundreds of blue blooded racing greyhounds, "America's fastest," have been trained to perfection for the return of the "sport of queens" to Baden Kennel Club in South San Francisco, which opens its 1938 meeting tomorrow night.

Feature event of the eleven races will be the traditional Inaugural Trophy Race. First event starts at 8:15 p.m.

Baden Kennel Club, which inaugurated photo finish, safety hurdles, glass starting boxes, and the rail running, disappearing mechanical lure, this year has installed a \$2000 electrically controlled result board, according to Club President R. C. Stickle, to speed posting of results and to announce dead heats as readily as the usual first, second and third.

Highlights of the 1938 meeting, it was announced, will be the \$1500 Baden Derby, and the \$1000 California Derby limited to California bred two year olds and under. Scores of the nation's fastest kennels have sent swift dogs to the South San Francisco track to try for the rich stakes.

The 1937 Baden Derby, run on closing night nine months ago, was won by Doctor Vance, owned by E. B. Pate of Burlingame. Among the new kennels attracted by the stake is that of Ollie Ostendorf, who raced at West Flagler last winter. His entry in the Futurity, Fence Guard, ran second.

The South San Francisco track, located on Orange avenue, is easily reached via El Camino Real and Bayshore highway. Market Street Railway and Pacific Greyhound run special schedules for Baden fans. No unaccompanied minors are admitted.

A heated grandstand and musical entertainment between races by Fred Lamb and his orchestra are among the features offered by Baden.

The track will stage a dress rehearsal tonight, when the final schooling races will be run under the lights. The public is welcome, the track management has announced.

SPRING SEASON ENDS TOMORROW

**Feature Of Getaway Day Is
Marchbank Handicap With
Many Stars Entered**

No race run in America this year has the international appeal of the \$15,000 added Marchbank Handicap at Tanforan, Saturday, June 4.

A survey of the contenders today reveals:

Ligaroti (owned by Bing Crosby and Lin Howard), a stakes winner from the Argentine, holder of the mile record at Buenos Aires.

Plutarco (owned by Lawrence Barker, importer of Caballero II), a stakes winner on the Chilean turf.

Sumatra 3rd (owned by Lawrence Barker), Argentine bred, but raced against the best horses in Chile, winning several important stakes.

Gandhi 2nd (owned by Lawrence Barker). Another Chilean horse which has been training in impressive fashion.

Frexo (owned by Raoul Walsh). A handicap winner on the French turf.

In addition to these five foreign bred stars, Indian Broom, holder of the world record for a mile and an eighth, and his flashy stablemate, Whichecke, are Canadian owned, flying the silks of the A. C. T. Stock Farm, owned by Major Austin C. Taylor of Vancouver, B. C.

The high esteem in which Ligaroti is held is reflected by the fact that he was given the top weight of 124 pounds in the mile and an eighth engagement Saturday.

In the meantime, contenders for the important race are receiving their final short, snappy trials expected to put them on keenest racing edge. All of them have been racing and their final workouts are necessary only to "hone" them up to top pitch.

FIND BRISBANE MAN DEAD IN BED

Curiosity of several neighbors who had not seen John McGrath, 55, since Thursday of last week, resulted in the finding of his body at his home in Brisbane, Tuesday of this week.

McGrath had been dead since the day he was last seen, an autopsy revealed, according to Coroner William Crosby.

The body was found in McGrath's bedroom by neighbors who forced the door when he failed to appear for several days. Deceased, a truck driver who has been working part time, was apparently in good health until the time of his death.

He is survived by a daughter, Miss Florence McGrath.

Call Announces For Assemblyman

Harrison W. Call, San Mateo County assemblyman, has announced his candidacy for re-election on both Republican and Democratic tickets.

His principal achievement as the county's representative in the Legislature, says the announcement, was the lighting of Bayshore highway from the San Francisco line to South San Francisco.

when the request was made in January of this year.

Another telegram, signed by the Rev. C. G. Osborne, read:

"Churches of San Mateo County emphatically protest against using county funds for race track. San Mateo County citizens have borne a great deal. I can promise you that a tax raid for race track purposes would produce an outburst of something more potent than indignation."

Early in the year, when an open hearing was held by the San Mateo County Board of Supervisors on a request from the Fiesta Commission that the body be permitted to ask for racing dates, a large number of citizens were present and entered protests against the proposition and numerous written protests were also submitted, with only two persons favoring the commission's request. The supervisors, however, failed to heed the pleas of these protestants and authorized the commission to proceed with the request for a racing permit.

The dates asked were September 30 through October 6, excepting Sunday, October 2.

Members of the racing board, after listening attentively to the pleas of the Fiesta Commission representatives and asking numerous questions, among which was the query as to what purposes it was planned to offer for the racing events, were told they would be the same as usually given at county fairs. Chairman Burke remarked:

"I can say to you frankly your race would be a flop."

"We're really doing you a favor by turning it down," added Henry P. Russell, board member from Burlingame and Carmel.

Commission representatives said the fiesta commission had every expectation of making money on the races, to add to the fund for erecting fair buildings. They declared the fact that Bay Meadows would be about to open a regular meet in October should bring good horses to the track.

S. M. Haskins of Los Angeles made the motion to deny the request and it was seconded by Russell. Chairman Burke then told the petitioners the refusal was "without prejudice" to any future requests which might be made.

Vista Grande Circle No. 253. Companions of the Forest, A. O. F., will hold a whist, Tuesday evening of next week, June 7, in Eagles Hall. Attractive prizes. Mrs. Hering is the chairman.

trains from San Mateo County were being watched.

After interviewing several track officials and the wounded man, Patterson, Chief of Police Louis Belloni of South Francisco reconstructed the shooting as follows:

Gicconi had for six years held an electrician's job at the track, operating the "rabbits" and doing other chores required of him.

This year the Electricians Union had notified the track it must hire a journeyman electrician. As Gicconi was only an apprentice, Patterson was employed to fill the position.

When Kaiser and Patterson went to work this morning, preparing for the track opening on Saturday, Gicconi, according to Patterson, sneaked into the infield.

"He didn't say a word," said Patterson. "He just fired. First he shot me, but I managed to run away. Then he turned on Kaiser, who was stooping. He shot him twice in the back."

D. Clinton Parker, another of the track employees, endeavored to capture Gicconi, but the latter eluded pursuit and made his escape.

Officials of the track declared Gicconi had been heard to mutter angrily several times recently about the "injustice" of losing his job.

Friends stated Kaiser had frequently befriended Gicconi and fed him when he was broke during the past winter, and attempted to save his job for him.

Police were checking a report that Gicconi had told friends he killed a man in New Jersey fifteen years ago, but had been acquitted on a self defense plea.

It has been learned that Gicconi was convicted, about fourteen years ago, in a New Jersey court, of the crime of murder and was committed to an asylum for the criminal insane, from which he was released several years afterward.

Up until a late hour, Thursday afternoon, the perpetrator of the shooting had been apprehended.

YOU CAN'T PAY FOR FIRE

If you're wise, you protect your property with fire insurance. But don't let this lull you into a feeling of false security. For nothing can completely pay for fire.

It is impossible to adequately compensate for loss of time, of business, of opportunity, of employment. Nor can we pay for human lives with dollars.

In brief, fire insurance, invaluable as it is, can only cover the tangible losses of fire. It cannot cover all the intangibles or the indirect loss—and these constitute by far fire's greatest toll. Replacing burned furniture will not make up for the destruction of a home. Nor will replacing machines make up for a burned factory.

That is why fire prevention work should be done by everyone. There are scores of instances on record where men have been ruined by fires—in spite of having sufficient insurance to cover all direct loss. If your place of business burns, your trade will go elsewhere, and you may find it impossible to get it back. If the place where you work is ravaged by fire, your job will go up in smoke with it—and no insurance can cover that.

During recent years the annual fire loss has stayed at about the same level—in excess of two hundred million dollars a year. Most of that waste could be prevented. It constitutes an inexcusable and unnecessary drain on the nation's resources. Knowledge and vigilance will turn the trick.

WASHINGTON NEWS

FROM OUR CONGRESSMAN
JOHN J. McGRATH

Housing—The House Committee on Banking and Currency has approved a bill proposing an increase of the Federal Housing Authority's capital from \$500,000,000 to \$800,000,000 by sale of additional Housing Authority bonds and making the proceeds available immediately. A waiver for one year of the present requirement, that localities must put up ten per cent of the cost of a slum clearance and low cost housing project was written into the bill.

Civil Aeronautics—The adoption by the House of a bill creating a three man Civil Aeronautics Authority, advances the movement to coordinate civil aviation regulation a step further. The bill adopted matches the bill adopted by the Senate except for a clause restricting the President's power to remove members of the regulatory body. The Senate bill had removed that clause. The bill will now go to conference where it will resume the fight over an "independent" authority demanded by Senator McCarran. A five member authority would be created by the Senate bill.

Navy Bill—The President's signature has been affixed on the Navy Expansion bill which authorizes the expenditure of \$1,090,656,000 to enlarge the United States Navy twenty per cent. It is believed there will be an early appropriation of \$20,000,000 for the construction of two cruisers, four seaplane tenders and possibly an aircraft carrier.

Transportation—Commissioner Eastman, before the House Interstate Commerce Committee, has advocated enactment at this session of a bill drafted by the Interstate Commerce Commission to facilitate administration of motor carrier laws. Granting of temporary operating authority to meet emergencies, pending formal granting of permission, would be allowed the Commission. It would permit suspension of licenses, not revocation, upon reasonable notice to motor carriers without hearings, for not complying with the I. C. C. requirements.

Banking—A bill introduced by Chairman Steagall of the House Committee on Banking and Currency, would repeal that provision of law that denies federal deposit insurance to state banks which do not belong to the Federal Reserve System. The proposal is now before the committee.

\$105,000,000 Paid To Jobless Workers—With a total of \$105,000,000 in unemployment benefits paid to insured jobless workers in twenty-five states during the first four months of 1938, unemployment insurance is accomplishing exactly what the proponents of the Social Security Act intended. The unemployment insurance funds are flowing back into the

local communities and are being spent for food, rent, clothing and services. They sustain to an appreciable extent the purchasing power of workers whose normal means of livelihood have been temporarily cut off, and thereby act as a brake on the downward trend of business and employment. Moreover, unemployment insurance means earned benefits to the workers, not a hand-out; a fact which has a very great effect on morale.

Farm Mortgages—The Federal Housing Administration has started to insure mortgages on farm properties. Amendments to the National Housing Act, passed in February, permit the administrator to insure mortgage loans made on farms on which farm houses or other farm buildings are to be constructed or repaired, provided at least fifteen per cent of the loan proceeds is expended for materials and labor on buildings. Rules and regulations covering these loans have now been prepared by the FHA. Previously, FHA insurance has been granted only on non-farm real estate loans. Farmers who operate their own farms, those who rent their farms to others, and farm tenants and others who contemplate the purchase of farms are eligible to borrow from approved institutions under the terms of Title II of the Act. Institutions approved by the FHA as mortgagees, which may apply for insurance on farm loans, include banks, building and loan associations, life insurance companies, mortgage companies and other lending agencies.

Motor Vehicle Registrations In 1937 Increases—Motor vehicle registrations in 1937 amounted to 29,705,220—an increase of more than 1,539,000 over the preceding year. There were registered 25,405,728 automobiles, 4,255,296 trucks and 44,196 busses. Registration receipts totaled \$337,410,000. Other receipts for permits, certificates of title and from miscellaneous sources brought the total to \$399,613,000. Additional payments to states by motor carriers, such as taxes on gross receipts, ton miles, passenger miles, and as special license fees and franchise taxes, amounted to \$16,216,000.

Farmers' Income Ten Billion In 1937—In 1937, for the first time in eight years, farmers' gross income, including government payments, exceeded \$10,000,000,000. For the calendar year 1937, the gross farm income from sales of farm products, value of farm products held for home consumption, and government payments to farmers, was estimated at \$10,003,000,000. Last year's income compares with \$9,317,000,000 in 1936 and the low point of \$5,284,000,000 in 1932. Most of this increase was attributed to the larger income from crops and government payments. Total income from 78 major farm crops increased \$3,904,000,000 in 1936 to \$5,298,000,000 in 1937. Government payments last year amounted to \$367,000,000 compared with \$287,000,000 in 1936.

Prevent Accidents And Save Money

The following letter from the manager of the State Compensation Insurance Fund is self explanatory:

"The board of education of San Mateo County established an excellent record for keeping down accident costs during 1936-37, and we take pleasure in enclosing our check for \$2386.23 in payment of the dividend consequently earned under this year's policy. The policy year ran from August 15, 1936 to August 15, 1937. We appreciate the co-operation which enables us to effect this saving for the board and desire to congratulate you on the result.

"The attention which you give to accident prevention and the reduction of accident costs will save money each year for your board. The welfare of those of your citizens who are employees of the board of education of San Mateo County is far more important, however, than is the saving of money. They are the people to whom accident prevention means the most."

CALIFORNIA WILL BENEFIT BY RAISE IN HIGHWAY FUND

Federal funds for allocation to the states for highway work in 1940 and 1941, once threatened with drastic cuts, now promise to be continued considerably nearer to the present level as a result of action in Congress last week.

Conferees representing House and Senate on the federal aid bill have agreed to raise regular federal aid for 1940 from \$75,000,000 to the sum of \$100,000,000 and to add \$5,000,000 for "farm to market" roads in 1940 and 1941, making \$15,000,000 for this purpose in each of the two fiscal years.

Previously the Senate had made drastic reductions in the bill as passed by the House. California's share would have been reduced by about \$2,000,000 for the two years. If the increase made by the conferees is adopted California's share for 1940 will be about \$3,887,000, or about \$1,000,000 less than the present allotment, instead of the \$2,000,000 cut previously threatened.

In 1941, as the bill now stands, California will receive \$4,470,000, close to the current figure. Both of these allotments would be for regular federal aid highways. In addition, California would receive \$582,000 each of the years for secondary or "farm to market" roads.

Under other provisions of the measure California would receive \$750,000 in 1940 and \$1,166,000 in 1941 for assistance in grade crossing elimination; and \$1,400,000 in 1940 and \$1,900,000 in 1941 for national forest highways, roads and trails.

Entertain Guests At Country Home

Mr. and Mrs. W. F. Dorn of Riesel street and Mr. Jules A. Ny spent the week end at their country home in Lake County, where they entertained the following guests: Mr. and Mrs. P. Brulez, Mr. and Mrs. Clifford Cone, Miss Alice Walf and Edward Sass.

AT SEVENTEENTH DISTRICT DINNER

At the Seventeenth District dinner, held in San Francisco in the Furniture Mart, Wednesday evening of last week, General Pershing Unit had the pleasure of having present Mesdames Mazie Boyle, Anne Eason, Sadie Walsh, Bessie Gimovsky, Marjorie Woodside and Rose Gardella, all past presidents of the unit, and Mrs. Ida Marquis, president-elect. Mrs. Alice Brian, principal of the school, was an honored guest.

The General Pershing Unit enjoyed the distinction of having sold more tickets for the District dinner than any other unit in the Seventeenth District. During the dinner, the president, Mrs. Rose Gardella, was presented a program award certificate.

Hoosier Girl Wins Spelling Classic

The 14th national spelling bee was won by Marian Richardson, an Indiana farm girl, aged 12, in Washington, Tuesday of this week.

She defeated Jean I. Pierce, Buffalo, N. Y., in the final, after 20 other contestants had been eliminated. Victory came when she spelled "pronunciation" correctly.

READY FOR SEA SCOUT REGATTA

Earnest preparations are being made by Ship No. 149 for the big annual Sea Scout Regatta. It will be held at the Marina Yacht Harbor, San Francisco, on June 4 and 5, and will be sponsored by the Daily News.

Last Saturday, Sunday and Monday were devoted to fixing up their boat, "Clipper." The bottom was cleaned, the inside scrubbed and a new coat of paint applied, so as to be in readiness for the coming inspection, Saturday of this week.

The rowing and sailing races will be staged on Sunday. Ship No. 149 intends to participate in both. The course for the sailing race is expected to be over to Sausalito and back, passing, of course, certain specified buoys and markings which will be determined by the officials.

FROSTY FRUIT CAKE

(From Mrs. Amelia Lewis)

- 1-3 cup butter
- 1 cup sugar
- 2 eggs
- 1 teaspoon vanilla
- 1 cup milk
- 2 cups flour
- 3 teaspoons baking powder
- 1/4 teaspoon salt

Cream butter thoroughly. Add sugar, a little at a time, beating well. Add yolks of eggs and vanilla. Beat thoroughly. Add milk, alternately with dry ingredients, which have been sifted together. Mix well but do not beat. Mix in beaten egg whites. Bake in three greased and lightly floured layer cake pans in moderate oven (375 degrees) for 20 minutes. Put layers together after they have cooled with the following.

Fruit Filling and Icing

- 2 1/2 cups granulated sugar
- 3/4 cup boiling water
- 1 teaspoon baking powder
- 2 egg whites
- 1 teaspoon lemon juice
- 1 cup mixed figs, cherries and pineapple, cut fine

Boil sugar, water and baking powder without stirring until syrup spins a thread. Beat egg whites until dry. Add syrup gradually, beating constantly until right consistency to spread. Add flavoring and cool. Add fruit to one-third this icing and spread thickly between layers. Cover top and sides of cake with remaining plain icing. Decorate top with nuts if desired. Some of the fruits may be omitted as the choice is a matter of taste.

Makes three layers baked in 8 inch pans.

MOLDED TUNA LOAF

(From Mrs. V. Hauptli)

- 1 tablespoon gelatin
- 1 teaspoon salt
- 3/4 cup milk
- 1 large can tuna
- 2 egg yolks
- 3/4 cup cold water
- 1 tablespoon mustard
- 2 tablespoons vinegar or lemon juice
- 1 1/2 tablespoons melted butter
- Few grains cayenne pepper

Soak gelatin in cold water for 5 minutes. Mix egg yolks slightly beaten with salt, mustard and cayenne. Then add butter, milk, vinegar or lemon juice. Cook in double boiler, stirring constantly until mixture thickens. Add soaked gelatin and tuna, well flaked. Turn into wet mold and chill. Unmold on crisp lettuce.

This loaf could be made and use the two egg yolks remaining after preparing icing for Frosty Fruit Cake.

In Attendance At Birthday Ceremony

A group of members and officers of Court St. Mary No. 1155, Catholic Daughters of America, attended the twelfth birthday celebration and the initiation ceremonies of Court Salesian No. 1005 in San Francisco, Thursday evening of last week. Mrs. Ida Forest, the local court monitor, assisted in the ritualistic work.

Among those present were Mesdames Grand Regent Evelyn Weekerle, District Deputy of Court Salesian Elizabeth Wettstein, Sadie Weekerle, Katherine Phelan, Katherine McDermott, Angela Johnson, Mary Tripodi, Agnes Denning, Margaret Devlin, Ida Forest, Charlotte Ford, Ethel Bolger, Ida Grummel, Gussie Gerhard, Margaret Fields, Florence Baumsteiger, Catherine Corfe and Irene O'Neil and Miss Virginia Baumsteiger.

Lesson Sermon Of Christian Science

"Thou art worthy, O Lord, to receive glory and honor and power: for thou hast created all things, and for thy pleasure they are and were created." These words from Revelation comprise the Golden Text to be used Sunday, June 5, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "God the Only Cause and Creator." Included among the Scriptural selections will be: "Hearken unto me, O Jacob and Israel, my called; I am he, I am the first, I also am the last. Mine hand also hath laid the foundation of the earth, and my right hand hath spanned the heavens: when I call unto them, they stand up together" (Isa. 48: 12, 13).

The following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause. . . . In proportion as the belief disappears that life and intelligence are in or of matter, the immortal facts of being are seen, and their only idea or intelligence is in God" (pp. 207, 279).

SECOND ANNUAL CUBBEREE HELD

Cub Pack No. 141 is to have another week in camp this year. The one held in the Daly City Bowl last year was very successful, so it is an anxious group of Cubs who are awaiting the opening of the session this season. The Cubberoe will be officially opened on Friday evening, June 10, with an appropriate campfire ceremony.

The Cubmaster, Joseph Straughan, will be in charge at the Cubberoe. He will be assisted by a staff of Den chiefs from Boy Scout Troop No. 141. Glenn Goode will serve in the capacity of assistant director. Frank Pate will be Cubberoe clerk. Donald Laston will edit the Cubberoe Chronicle, a daily bulletin of camp activities. Kenneth Claussen is slated for chef, with Richard Russell as his assistant. John Mosman will be grubmaster and Robert Sutherland will occupy the post of Cubberoe warden. Buddy Pzibarowski and Allen Rigler will divide the duties of campfire program directing between themselves. Richard King will direct physical exercises and games.

From all indications, this year's session will be even greater than the one last year. A thorough program of handicraft and kindred activities for the cub age boy is being worked out.

COLN CLASSIC TO BE HELD FOR ONE MORE WEEK

Farce Comedy Will Be Next Offering Of Federal Theater Project

Most successful of all Federal Theater productions in San Francisco, "Prologue To Glory," the Abraham Lincoln classic dealing with that period of his life when he lived and worked as a store clerk in New Salem, Ill., will be held over at the Alcazar another week, closing Saturday night, June 11. This announcement came from Charles P. Teevin, district supervisor, following another announcement that "Prologue To Glory" had broken all local Federal Theater box office records. Saturday afternoon matinees for students and young people had been particularly successful.

"Squaring The Circle," a farce comedy by Valentine P. Katayev satirizing the Russian five-year plan and the Soviet system in general, will open at the Alcazar, Monday night, June 13. Mail reservations are already being received for the opening performance. "Squaring The Circle" has been produced successfully in practically all important European countries and is still running in many Russian towns.

Medical Student Visits Parents

Dr. Lawrence Vireno, who has been a student for the past nine months in the medical department of the Georgetown University in Washington, D. C., surprised his parents, Mr. and Mrs. A. Vireno, Sunday of this week.

Dr. Vireno reports having had a wonderful trip home, traveling via the southern route. He contemplates spending about three months here before returning to Washington, D. C.

A HUNDRED AND FIFTY STUDENTS TO GET DIPLOMAS

Several Of These Will Receive Aid In Attending University

With Commencement Day set for Thursday morning, June 9, San Mateo Junior College will give diplomas to 150 outgoing students in the Woodland Theater in Hillsborough. Dr. Tully C. Knoles, president of the College of the Pacific in Stockton, will give the graduation address. The graduates will present a gift to the college, while several of the students will be given scholarships to aid them in going to some university. Music by college groups, the marching of the faculty and graduates in caps and gowns, and the presenting of the class will all add to the program.

Before attending the commencement, the graduates will meet for a class breakfast. The following evening, Friday, June 10, the students will hold their sophomore formal dance in San Francisco.

This week the Junior College started its final examinations and just about closed off all student activities. Four of the members of the track team, however, are continuing practice, as they hope to go to Buffalo in July to compete in a national track meet. While the boys can pay part of their trip expenses, they hope to receive some aid from the outside. Each boy is a star in his particular event and should place in the national meet.

Students have received their annual, the year book that depicts the history of the college for the year, and their literary magazine, which prints the original student work in prose and verse.

The Junior College recently presented a play, "Devil's Luxury," at the fourth annual drama festival held by the college and local high schools. Jefferson, Burlingame, San Mateo and Palo Alto high schools also rendered short productions.

Unnecessary Routine

Private Smith had been in the army a week when the sergeant asked:

"What do you think of the army as far as you've gone?"

"I may like it after a while," he replied, "but just now I think there's too much drilling and fussing around between meals."—Unidentified.

BOY SCOUT NEWS

TROOP NO. 141

Meets Thursdays 7 to 9 p. m. at Nazarene Church, Vista and Santa Barbara

Our last regular meeting was an outdoor affair. Several boys, accompanied by Mr. Straughan, went early and had supper in camp. At seven the Scoutmaster and other Scouts came and a very successful meeting was conducted. Problem games were a feature of the program. They consisted, mainly, of first aid applications. Fire building contests were also a part of the activities. Songs and stunts completed the evening which was voted the most enjoyable for some time.

Overnight Hike

The following Friday Scouts John Mosman, Robert Sutherland, Kenneth Claussen and Richard King, together with Mr. Straughan, occupied the same campsite over night. They did some real camp cooking. Scout King tried out a new sleeping bag. We think Dick "has got something there"—to puff about. You see it has an air mattress which has to be blown up before he can have his sweet dreams.

Metal Work Project

Saturday morning of last week Scouts John Mosman, Robert Sutherland and Richard Russell worked on the metal canteens which our troop is constructing. Basic parts were all cut for quite a number of the devices. Now comes the soldering of them. John has already finished his and it looks real spiffy. Cook kits were also on our list and four were started well towards completion.

Outdoor Meeting This Week

Our meeting will be out of doors again this week at the same place as was the one last Thursday. Thursday, June 9, will be the date of grammar school graduation, so we will postpone our meeting until the next night and will combine it with the first night of the Cubberie at Camp Boyjoy. Then, the following Thursday, the Scout Troop will conduct their meeting at the camp and will combine with it a Court of Honor for Second Class, First Class and Merit Badges.

Rattlesnakes On Parade

It was reported, recently, that North Little Rock, Ark., will highlight its Fourth of July activities with a "rattlesnake derby."

AUXILIARY HAS REGULAR MEET

Daly City Unit No. 410, American Legion Auxiliary, held its regular meeting, Wednesday evening of this week. Mrs. Hilda Przbiorowski, poppy chairman, reported the sale of 1250 poppies, the most that have ever been sold by the unit. The members are proud of this record and take this means of thanking the people for their help and co-operation in making the event such a great success.

June is Fidac Month, the time when we renew our relationship with the foreign nations whom we fought with in the Great War. This time France is the subject of discussion and a short program honoring that country will be rendered at the next meeting. Several of our Junior girls correspond with girls of other nations.

The regular monthly whist will be held in Legion Hall, Thursday afternoon, June 16, at 1:30 p. m. Mrs. Gerry Glanville and Mrs. Grace Hill will be chairmen. Refreshments will be served.

Novena Services Conducted Here

The annual Novena in honor of the patroness of this parish, Our Lady of Perpetual Help, will be held in this church in June, conducted by the Redemptorist fathers. These services will open Friday, June 10, in order as follows: Morning Masses, 7 and 8:30, afternoon services at 3:30, evening services at 8.

On the afternoon of Sunday, June 12, a special feature of the service will be the blessing of infants.

On Sunday afternoon, June 19, the sacred closing of the Novena will be observed with a solemn procession of the Blessed Sacrament to the outdoor shrine.

This Novena is especially for the members of the arch confraternity.

Too Fast on the Draw

"Does your wife have an allowance?"

"We tried it but it didn't work."

"How was that?"

"She always sent it before I could borrow it back."

That a former jail-bird has sympathy for imprisoned creatures was illustrated by a St. Louis burglar a few nights ago. He took \$160 from the home of Sam Zummo and before leaving released the pet canary from its cage.

General Pershing Received Awards

The General Pershing P. T. A. was well represented at the state convention held in San Francisco last week, there being six past presidents and three incoming officers in attendance during the four days session.

At the Seventeenth District dinner, given on Tuesday evening of last week, the General Pershing received an award for the 1937-38 program and on Wednesday an award for fulfilling standard requirements.

The new President, Mrs. Ilda Marquis, has called an executive board meeting to be held at the school on Wednesday afternoon of this week.

Remember the General Pershing picnic to be held at Fleischhacker Park on June 17.

Children's Jubilee At Vista Grande

Plans are being whipped into shape for a real enjoyable time for all the youngsters of Daly City at the Vista Grande School tomorrow (Saturday.) The fun will start at 10 a. m. and will continue until 4 p. m.

As was announced last week, the Daly City Recreation staff will conduct party games and contests of various sorts and there will be amusements of different kinds. Refreshments, such as candy, soft drinks, sandwiches and pop corn will be on sale at very nominal prices.

The affair is being sponsored by Boy Scout Troop No. 141 as a means of adding to its camp fund. All children are assured a good time.

Pleasant Pastime For Worthy Cause

The ladies in charge of the Daly City Well Baby Clinic, Mrs. Mazie Boyle, Mrs. Marge Woodside and Mrs. Eva Page, will hold a whist party in the clinic room at 3298 San Jose avenue, Wednesday afternoon of next week at two o'clock.

The whist is being given to purchase needed equipment for the clinic.

Following the game, home made cake and coffee will be served. Come and bring your friends and help a worthy cause.

JEFFERSON ELEMENTARY SCHOLARS WIN

Woodrow Wilson Student Wins First Prize In Poster Contest—Crocker Student Wins Honorable Mention

Mrs. Rose Corral, art supervisor of the Jefferson School District, reports that two students in her art classes have won state recognition. The contest was sponsored by the local, county and state P. T. A. The two students won both local and county awards. Their posters in turn were sent to the state convention, which was held in San Francisco.

Albert Pastorino of the Woodrow Wilson won first prize for the state. Carmel Robins of the Crocker School won honorable mention.

Aaron Altman, art director of the San Francisco Public Schools, was one of the three judges. An art representative of the Foster and Kleiser Co. and a member of the state P. T. A., who is an artist, were the other two judges. The teachers and students of both these schools are proud of the awards won.

Long Illness Ends Useful Span Of Life

Death ended the long illness of Mrs. Kate Dunbar, 60, 6626 Mission street, Sunday of this week, in a Belmont sanitarium.

A native of Watsonville she had resided in California all her life.

A son Robert N. Dunbar and three brothers, Charles E., William and John L. Peterson are the surviving relatives.

Funeral services were conducted from a San Francisco mortuary establishment at one o'clock, Wednesday afternoon of this week. Interment was in Holy Cross Cemetery.

WIFE OF EX-ENVOY DIES

Wife of the former Norwegian Minister to Paris, Mrs. Garfield King Gade of Chicago, passed away, Saturday of last week, at an American Hospital in that city.

MATRON SUCCUMBS IN S. F. HOSPITAL

The Life Beyond claimed Mrs. Ivy L. Williamson, wife of Charles L. Williamson, proprietor of the Thomas Jefferson Cleaners, on Wellington avenue. The well known matron passed away in St. Luke Hospital, Wednesday morning of this week. She underwent a serious operation, Saturday of last week.

These relatives survive: the widower; a sister and brother, Mrs. Helen Brice and Archie Clute; a niece, Margaret Mac Donald; and two nephews, Fred Mac Donald and Ellis Clute.

Funeral services will be conducted from the mortuary chapel of W. C. Lasswell & Co., at 10 o'clock this morning (Friday). Rev. Holmer Pittman will conduct the services. Interment will follow in Cypress Lawn Cemetery.

William Sarrott of Blockley, Eng., directed in his will that his debts be paid and the remainder of his \$17,000 estate be divided among his four dogs.

Colma News Notes

The regular monthly whist party of the Colma Volunteer Fire Department will be held, Friday evening of next week, at Jefferson School annex on San Pedro road. Romeo Ragio will act as chairman of the committee.

Mr. and Mrs. Nello Barsi returned recently from their honeymoon trip through northern California and Oregon. Mrs. Barsi is the former Rose Nanini of South San Francisco.

Mrs. Lola Dyer of Frankfort street received a broken wrist, Tuesday of this week, when she slipped from a porch step at her home. The woman was taken to the Villa Hospital where a cast was applied.

Peter and Clara Vallarino of Station avenue were guests, Saturday of last week, at the home of their aunt Mrs. P. Bianchi and family on Cook street, San Francisco. In the afternoon, the group went to Golden Gate Park, where they enjoyed a delightful outing.

Mrs. Linda Perna of Mountain View spent a delightful day, Sunday of this week, visiting at the home of Mr. and Mrs. P. Vallarino on Station avenue.

Mrs. Rico Lagomarsino, accompanied by her baby daughter, returned to her home on F. street, Lawndale, from the St. Francis Hospital in San Francisco, Saturday of last week.

Della Sanguinetti was hostess to a group of young friends at a wienie roast given, Monday evening of this week, at her Salada Beach home. Among the guests were Misses Tirza McLean and Violet Wiese, and Mario Sanguinetti and Mario Franco.

Mrs. Henry Lorenz Jr. and her small son of San Luis Obispo are spending a week as guests of Mrs. Henry Lorenz Sr. at her home on Mission street.

Miss Rena Vallarino was guest of honor at a party celebrating her eleventh birthday anniversary given, Friday evening of last week, at her home on Station avenue. She received many lovely gifts from friends and relatives. Following a delightful evening of entertainment and dancing, guests were served from a daintily decorated table with centerpiece of pink roses and gardenias.

Two persons escaped unharmed, Sunday of this week, when the machine in which they were riding went out of control and crashed into the Half Moon Bay Box and Drum Factory on Washington street. The auto, which is owned by B. Cipresso of Colma, and the building were considerably damaged.

James Giegling of Twentieth street, San Francisco, was given treatment at the Junipero Serra Hospital, Monday of this week, after being severely bitten by a dog. The boy, with his parents, was visiting Cypress Lawn Cemetery at the time of this accident.

Mr. and Mrs. Les Volkman of Moltke street are enjoying the use of their new sedan which they purchased recently.

Albert Camenzind of Bryant street and John Pitcher of Washington street motored to Santa Cruz, Wednesday of this week, where they spent an enjoyable day on the beach.

NEW ARRIVAL

A baby daughter was born, Wednesday morning of this week, to Mrs. Raymond J. Lewis of Santa Barbara avenue.

The infant, who weighed six pounds, eleven ounces, and her mother are doing nicely at the University of California Hospital in San Francisco.

A group consisting of Misses Alvina Jost and Alma, Theresa and Betty Camenzind enjoyed the opening night of "Thanks for My Wife" at the Geary Theater in San Francisco, Monday of this week.

Angelo Gianni, employed at a local hog ranch, is recovering from severe bites inflicted, Tuesday of this week, by an enraged hog. The man was taken to the Junipero Serra Hospital for treatment.

Lucile Cosman of Sharp Park was treated at the Junipero Serra Hospital, Friday of last week, for a cut forehead. Three stitches were taken to close the wound which resulted when she fell on a sharp piece of glass at her home.

Louis Polletti, local business man, is enjoying the use of his new sedan purchased recently.

Operators of the Rancho Merced Stables were hosts to students of the riding class at a masquerade party, Wednesday evening of this week. A lively evening of games and all around fun was topped by a wienie roast and barbecue.

The regular business meeting of Cypress Circle No. 14, U. A. O. D., will be held, Wednesday evening of next week, at Colombo Hall. All members are urged to attend.

Colma P. T. A. Plans For Final Meet

Officers of the Colma Parent-Teachers Association met in executive board session, Thursday afternoon of this week, at the Jefferson School annex. The unit's affairs for the closing season were set in order. Announcement was made of a pillow slip party which will be held at the annex, Tuesday, June 21. Many valuable prizes will be offered.

Plans were completed for the last regular meeting of the term which will be held, Tuesday afternoon of next week, at the R. S. Thornton School. A report on the recent convention will be read by one of the attending delegates. An interesting program has been arranged with school children participating.

After Separation Couple Married

Two sweethearts who were parted half a century ago by a misunderstanding, were honeymooning, early this week in Montgomery City, Mo., after a wedding attended by their great-grandchildren.

William W. Hutcheson, 76, East St. Louis, Ill., and Mrs. Price Gosnell, 75, St. Louis, met last spring for the first time in 47 years. Their broken engagement of 50 years ago was renewed.

The Wonder of It

"Pat, Pat!" said the minister in reproach, "sinners stand on slippery ground."

"So Oi see, yer reverence," said Pat, "but faith, it's more than Oi can do."

Business appears to be good in at least one line up in Victoria, B. C., where a newspaper item says: "The board reports receipts 50 per cent greater than last year, and hopes that next year the cemetery will be self supporting."

HOLD CAL. WOMAN IN CHILD THEFT

Betty Harbord

Believed kidnaped, little Betty Harbord, 6, of Santa Cruz, Cal., was found recently in a 57 year old Spinster's home, the woman claiming she was holding the "lost" child for police. Miss Jane Davis, organist and poetess, was held, however, because she neglected to notify police after she had detained the child more than a day. Miss Davis claimed she found the child wandering alone on a crowded beach. Mrs. L. R. Pidcock, with Betty before she vanished, told police the Davis woman had been staring at the child before its disappearance—"staring as though she were trying to mesmerize the child."

As a vamp who gets her men, Mme. Adrienne Guyot of Brussels appears to be in a class by herself. Although not quite 40 years old, she has confessed to having had 682 sweethearts, 50 of whom she married. Her batting average was approximately two sweethearts a month and two husbands a year.

HOBBIES CLUB GUEST SPEAKER TALKS OF STAMPS

As a closing event for the Hobbies Club, which is one of the activities sponsored at Jefferson Union High School, a guest speaker was invited to appear before the club in order to present accurate information on stamp collecting.

George Hughes, well known stamp collector of the Peninsula and former postmaster of San Bruno, was the special guest of the club last week. He traced the history of air mail in the United States and showed an excellent collection of air mail stamps which have been used over the twenty year period since that type of postal service was introduced commercially.

The portrait of Washington, which Mr. Hughes made from stamps, was also exhibited. It has been shown in many stamp exhibits throughout the country. Other interesting displays were exhibited to the students as well as his own very fine private collection of stamps.

The Hobbies Club invited other members of the student body to enjoy the lecture by Mr. Hughes and nearly a hundred were in attendance at the club meeting. The club has as its sponsor Clive M. Saiz, history instructor.

FOUND GUILTY IN DOPE CASE

Lillian Moore, alias Herald, was found guilty, by a jury in the Superior Court of Judge A. R. Cotton, Saturday of last week, at Redwood City. The jury returned its verdict 19 minutes after the case was submitted at 11:13 a.m.

The Moore woman was arrested by state narcotic agents at the Highway Inn, Colma, February 9 last. She was charged with two counts, one for selling narcotics and another for operating a place where narcotics were sold illicitly. The jury convicted her on both counts.

Plane Trip Saves Time For Matron

Miss Sara Elizabeth Wells recently celebrated her ninetieth birthday with an airplane visit to Cleveland and back. It was her first flight and she found it "just fine."

She completed in a few hours a trip that would have taken weeks of planning and days of traveling when she was a girl.

Hepburn And Grant Teamed In Comedy

Madcap Society Girl Gets Her Man With The Aid Of A Leopard In "Bringing Up Baby"

Katherine Hepburn revealing her talent as a comedienne, with Cary Grant opposite her, in "Bringing Up Baby," is offered as the outstanding laugh show of the screen by RKO Radio. Backed by a sparkling cast headed with Charles Ruggles and May Robson, the stars "go to town" in uproarious fashion at the Daly City Theater, Sunday.

The story is based on the go-getter activities of Miss Hepburn, a madcap heiress with a remarkable propensity for creating trouble. Although Cary Grant is a studious professor, interested only in completing a huge dinosaur skeleton and in promoting a million dollars to carry on the work of his museum, Miss Hepburn decides she wants him.

Virtually kidnapping Grant to help her hide a tame leopard her brother has sent from South America, she plunges the hapless professor into a maelstrom of ridiculous adventures and unexpected situations that are said to make the picture the biggest piece of merriment of the season. The leopard is the "Baby" of the title. It and a fiendish dog add plenty of feline and canine complications to the lot.

Charlie Ruggles portrays a conceited big game hunter, May Robson is cast as Miss Hepburn's wealthy aunt, and Barry Fitzgerald as a boastful but timorous gardener. Walter Catlett and Fritz Feld are

also in important supporting roles. The film has novel backgrounds. One of the most unusual is a vast hall in a natural history museum, with an exhibit of a skeleton modeled from a brontosaurus—a pre-historic animal some 80 feet long—which represents Grant's life work. Another unique background is a big Connecticut farm house built around an old fashioned stone mill.

In the photoplay an eight year old "cat," "Nissa," shares four-footed honors with "Asta," Hollywood's

SHE'S BRINGING UP "BABY"

Katherine Hepburn goes through a hectic series of adventures with this live leopard and Cary Grant in "Bringing Up Baby." RKO Radio comedy romance produced by Howard Hawks. Operating Earnings And Deposits Up

A new high mark in deposits was attained by Bank of America, as of May 15, according to figures just released.

Total deposits on that date were approximately \$41,000,000, greater than on December 31, 1937, when the total of \$1,357,378,756 established a high peak for the history of the bank.

At the same time it was disclosed that operating earnings for each of the first four months of 1938 exceeded earnings for the same months of 1937.

Also, Bank of America has enjoyed an increase in the number of insured FHA home building loans of \$10,000,000 since the first of the year, at which time the total outstanding was \$57,000,000. New commitments have been made since March 1 at the rate of approximately \$8,000,000 a month.

AWARDS MADE FOR ATHLETICS

Athletic awards were made at a special assembly on Wednesday. The presentation of baseball and track awards were made by Coach Biggs and Coach Matthews.

Dictators NEVER DEFEY THEIR PEOPLE-THEY Delude Them

AMERICA CAN learn by watching the death of political freedom in other countries. Dictatorship is won and held not by force and defiance but by trickery and delusion. In every country, the technique has been the same. First, freedom of the press disappears, and the people lose their voice. Second, in the interest of national unity, people are told what to think, what to say, what to do. Third, the subservient press is compelled to release propaganda designed to create unanimous favor for the plans, personalities, and isms of those in power. Through the destruction of a free press, the people become inarticulate. America will always remain a nation of free people as long as the American press remains free. Your newspaper is your partner in the responsibility of perpetuating American liberty. Protect it—support it—for its welfare is your welfare—its freedom is your freedom.
